## Wal-Mart celebrates newly remodeled store

### Chamber hosts ribbon-cutting

VILLA PARK — The Villa Park Walmart store recently celebrated the completion of its newly-remodeled store with a ribbon cutting ceremony. Walmart was presented with a plaque of appreciation for their contributions as a distinguished member of the Chamber of Commerce since 1992.

In keeping with their motto to "Give back to the community they do business in," Store Manager Adonis Clark awarded \$21,000 in grant funds to Villa Park and Dupage County organizations to assist in their efforts to make a difference. Grant recipients included: Villa Park Parks and Recre-

ation Dept (Skateboard Park Commission), the Villa Park Public Library, Villa Park Fire Department, Dupage Senior Citizens Council and Lutheran Social Services of Illinois.

The new Villa Park Walmart features wider aisles, expanded merchandise selections and attractive product displays. The new layout and upgrades were based on customer feedback, and implemented by a team of associates, managers, and professionals.

The Villa Park Walmart is located at 900 S. Route 83 in Villa Park. For more information, call 630-530-2550.

### Wal-Mart donates \$4,000 for the skatepark project

At the grand re-opening of the Wal-Mart store in Villa Park, store executives awarded grants to select not-for-profit organizations from Villa Park, including \$4,000 to the Parks and Recreation Department for the 2010 skate park project. Pictured here are members of the Skatepark Committee as they hold the \$4,000 Wal-Mart check. "We are so excited and this grant could not have come at a better time for us," said Paulina Jimenez, chair of the Skatepark Committee (l., holding check). "The kids needed to see the check so they believe that this is for real, and that we are moving forward."
