Summerfest fun...

Photos by Chris Fox

THERE WERE PLENTY OF activities for children at Saturday's Summerfest 2010 event, which took place from 11 a.m. to 9 p.m. in the area of Ardmore Avenue and Park Boulevard in Villa Park. The top photo shows the Euro Bungee attraction. The second photo from the top shows a demonstration from the Villa Park Skatepark Committee, which featured skateboarders and BMX riders. The third photo from the top shows children operating NASCAR remote-control cars. In the bottom photo, 6-year-old Caroline Dooley of Villa Park takes a look in the mirror after a visit to the face painting tent.
