## ***Skatepark Committee cleans up***

On Saturday, April 10, members of the Villa Park Skatepark Committee, pictured here, donated their time by cleaning up around the community. Members began their clean up route at 11 a.m. at the Iowa Community Center, making their way through the neighborhood while picking up garbage along the way. After the clean-up was complete, members were treated to snacks donated by Jewel/Osco. For more information on the Villa Park Skatepark Committee, visit [www.vpskate.com](http://www.vpskate.com).
