## Clean Up and Skate event deemed successful

VILLA PARK — On Saturday, July 25, a “Clean Up and Skate” event took place in Villa Park, organized by Mikie Rudyk from the Parks & Recreation Department. Following the success of last year’s Clean Up and Skate, Mikie thought this would be a good way continue getting the skaters and BMX bikers involved in keeping the community clean.

A total of 25 volunteers showed up with their skateboards, scooters and BMX bikes. The Clean-Up included the Jefferson Pool grounds, baseball field and Iowa Community Center grounds.

“I’m really happy and pleased with the turnout we get for the event as well as the amount of support we receive from the community,” said Rudyk. “The kids that turn out for these Clean Up & Skate events are great, they are really dedicat-

### We clean up when we SKATE!

On Saturday, July 25, a total of 25 volunteers showed up with skateboards, scooters and BMX bikes to help with Villa Park’s “Clean Up and Skate” event, organized by the Parks & Recreation Department. The Clean-Up included the Jefferson Pool grounds, baseball field and Iowa Community Center grounds.

ed to keeping their Skatepark clean as well as giving back to the community by helping clean up around the town. We have had a large group of volunteers at the past two events

and I strongly believe that the number of volunteers will continue to grow.

The day ended at the Iowa Community Center where volunteers were greeted with food

and beverages donated by Tim Cesario from Jewel-Osco, Tina from Ra Solutions Inc./Dunkin’ Donuts and Cheryl Menke from Subway.

“We believe that by creating

facilities and environment that are clean and safe for our youth to play and release energy in a positive manner, the whole community will be a healthier place to live,” said Paulina Jimenez, Skatepark Committee Chair. “We are also committed to help our youth through activities and special community events to become important members of society.”

The next Clean Up and Skate is scheduled for Saturday, October 3. For more information, call 630-941-5960.
